To,

The Secretary to Government,
Local and Legislative Departments,
BANGALORE.

Sir,

With reference to G.O. No. L.2548-53 med 59-23-4 dated 1st October 1923, sanctioning among other things, the early construction of the Quarters to the Sub Assistant Surgeon at Aralgode, I have the honour to state that a sum of Rs 1494/- as per revised estimate sanctioned in G.O. No. G, 16416-18 med 129-20-3 dated the 21st February 1921 was placed at the disposal of the Executive Engineers on 22nd December 1923. The Executive Engineer now states in his letter No. 158 dated 24th April 1924 that the revised estimate as approved by the Chief Engineer in Mysore comes upto Rs 1566/- I.e 66/- more than the sanctioned estimate and that the extra cost may be arranged to be placed at his disposal. I request that you will be so good as to obtain sanction of Government to the proposal, the amount being met out of the savings of the current year's Malnad improvement grant allotted to this District.

(?) Rs 66-1494 = 72

2. It may here be stated that provision was made in the sanctioned District Board Budget for 1923-24 for the establishment of the dispensary at Aralogode. Now the condition of the Board has changed and the District Board is working with a minus balanc

balance; ~~xxxxx~~ nor is the Taluk Board of Sagar able to maintain the institution out of its funds. Under the circumstances, no provision was made there for in the Budget estmates for 1924-25 passed by the B Board at their meeting held on 28th March 1924. But the establishmer of a dispensary in an interior Malnad place like Aralgode, the Hospi= tal being also intended for the benefit of maharata Kunabis. is also a brought to the notice of Government ~~and also the~~ an absolute necessity. I request therefore tht you will be so good as to obtain sanction of Government to maintain the dispensary next year out of Malanad Improvement funds
